

WE NEED YOU

In June 2018, USATT will host the 19th World Veteran Championships...

THE LARGEST TABLE TENNIS TOURNAMENT IN THE WORLD

With over 10,000 players and guests from around the world, this is going to be big!

WVC2018 is looking for a team of dedicated volunteers to assist in all areas of the event, including umpires, table managers/field of play, hospitality, transportation, and more!

Want to be part of the team to stage the biggest table tennis tournament in history?

WVC2018 seeks to find a dedicated and committed group of volunteers to assist our professional team with every aspect of running a world-class table tennis tournament in Las Vegas. With over 7,000 players and guests coming from around the world, we want to show off "American hospitality," rolling out the red carpet and ensuring that every participant, guest, official, VIP, sponsor, and attendee has the time of their life in the Entertainment Capital of the World!

Contact one of our Volunteer Coordinators today to get involved!

- Rich Giroux
- Ed Hogshead, Field of Play Coordinator

PLEASE NOTE THAT DUE TO THE LARGE NUMBER OF EXPECTED PARTICIPANTS, VOLUNTEERS WILL NOT BE ABLE TO PLAY IN THE TOURNAMENT!

The "Volunteer Commitment" - A Mutual Relationship

WVC2018 asks our volunteers to commit to the following standards:

- Act in a professional manner and exercise good judgement;
- Hold yourself and those around you responsible for providing the highest standard;
- Do not accept any compensation other than what is provided to you by the organizers;
- Respect your co-workers and those around you
- Actively participate in all required training activities
- Have fun!

WVC 2018 is committed with the volunteer to:

- Provide the proper training and guidance for all job responsibilities
- Encourage their active participation in the event
- Provide a safe and welcoming environment for volunteers
- Reasonably compensate volunteers for the costs arising from their activity
- Provide the necessary tools and materials for volunteers to properly execute their roles
- Provide an accreditation badge and proper uniform identifying his/her status
- Be treated with respect, recognizing the value of his/her contribution

FAQ

Do I have to play table tennis to volunteer?

No, although some positions may require an understanding of the game.

What is the most important quality in a great volunteer?

A passion for helping others with the understanding that many of the participants have never been to the United States and we want to welcome them with a warm smile and open arms!

Are there any special skills I need?

No, just a passion for helping people and for being an integral part of a great event! We are looking for people with technology, data entry, and translation skills - so please let us know if you have any expertise in those areas.

Do I need to be able to speak multiple languages?

No, but if you do speak more than one language, that is great!

What is the minimum time requirement for a volunteer?

While there is no set minimum time requirement, given the amount of training involved we are requesting that volunteers commit to a minimum of six days (Sunday, Tuesday, Thursday, Friday, and Saturday). Each shift will last 5 hours.

Will There Be Training?

Yes! We are still working out arrangements, but the plan is to conduct training sessions at the US Open (December 17-22, 2017) in Las Vegas and on-site training closer to the event date.
